9:30 AM – 5:00 PM

Italian time (CET)

ONLINE ON MICROSOFT TEAMS

The **online event** to explore the Bachelor's degree programmes (First and Single Cycle degree programmes) offered by the University of Bologna. **Meet professors, staff members, and hear first-hand about our students' experiences.**

What you can do

- Attend presentations on our 15 Bachelor's programmes taught in English (and over 100 taught in Italian)
- Chat with professors and students
- Learn more about admission and enrolment procedures
- Find out about the services and opportunities offered by the University

During the event there will be lots of presentations and talks. You will be able to attend those that interest you most to get what you need to make your choice.

Sessions on international degree programmes and services for international students will be held in English. The presentations of the other Bachelor's degree programmes taught in Italian will be held in Italian.
